

THE POWER OF DUOTONE

WHAT SOME MAY STILL NOT HAVE NOTICED, WAS FOR MOST WINDSURFERS, THE BIGGEST AND MOST AMAZING CHANGE IN RECENT YEARS ON THE MARKET: SINCE THE SUMMER OF 2018, BOARDS & MORE DEVELOPS AND SELLS ALL RIG PRODUCTS UNDER THE NAME DUOTONE!

The new brand, which has retained the entire development, sales and production team, as well as all team riders, has caused a sensation in the first year. Innumerable achievements and even world cup titles, new fans and excellent products and tests crown our year 1. We are particularly proud of the fact that all the promises we made at the start were put into action: to pack the most advanced technologies and features, outstanding performance and unique quality in every DUOTONE product for which we have been known since 1981. And all packed in a modern look. Because with this we are proving what we assert in many ways: WE KEEP IT TRUE!

DUOTONE made a brilliant start and reached more windsurfers than we ever dreamed of. The more motivated we start the season 2020 – and present products that will motivate you to spend even more time with the hottest sport in the world.

Have a DUOTONE 2020!
